COMMITTEE

Vote of Thanks and Your Support
The Vikings Group sponsor around 50 clubs such as ours, which are affiliate clubs to the Vikings. During the last 12 months the Vikings have given our club more than \$4000 to help with our running costs. Unfortunately, there are moves by the Government to stop these grants by taking the money from clubs and placing the funds in a general fund managed by the government. We thank the Vikings for their support and urge all members to support the Vikings and other clubs in their fight against this move by the Government.

Wonderful pencil drawings of your choice of subject. We will also be displaying work Cathy has been doing while down at the club – some framed – which are all for sale. Great gift for a friend.

MAINTENANCE

The Tuggeranong Dog Training Club is operated by volunteers. Therefore, all fees paid by members go towards the operation of the club. These fees have been used to pay for normal expenses such as water, ground maintenance, electricity etc. However, in recent times, the club has enjoyed a boom in membership which hopefully reflects on the training provided by instructors. Also, extra funds have become available for much needed club projects. How have those extra funds been used?

Lighting

Members will have noted that the car park is now well lit and that the oval lighting is much more effective. Nine of our stadium lights have been upgraded to LED. Apart from better lighting, the new lights draw only 300 watts (approx) each as against the old 1000 Watt bulbs. The light in the

top corner as also been fixed. For the record, the upgrade cost approximately \$10,000.

Sprinkler System

The sprinkler system has been in the ground for nearly 20 years and the system was in need of a major check out. Sprinklers have been adjusted to address deficient spray patterns. The large container was lifted to allow repair work on one sprinkler line to take place. The sprinkler control box has also been replaced.

General Maintenance

The cold weather caused a water valve in the ceiling of the club to leak creating a nice little waterfall from the manhole. All is now well.

AGILITY

The club held a successful Agility and Jumping trial on Saturday 4 August. We had over 250 entries, with all running very smoothly, with fantastic and challenging courses. A big thank you to our Judges, Jenny Marshall, Lucy Williams and Terry Griffin, our Stewards, Bob, Rachel, Cass, Luke, Todd, Rebecca, Aaron, Jan, Fiona, Mick and Sarah, and of course the club organisers of the trial.

Are you interested in Agility?

Agility is a fast paced dog sport, with the main aim being to work through a sequence of obstacles together at speed. Agility enhances your relationship with your dog, and also helps both yours, and your dog's fitness. Dogs of most breeds and sizes can participate in agility. They all enjoy blasting through tunnels, making their way over jumps, and clambering up the A-frame. Dogs do need to be 14 months or over to start training in agility. This is to ensure their bones and joints have fully developed. Agility is an exciting, energetic, fun dog sport, allowing dogs to exercise their

brain, and their bounce. If you are interested, speak with your instructor, or email us at tdtc@bigpond.com

Jindabyne

A Pet Friendly Holiday Destination

www.topoftherangejindabyne.co.m.au

Lola's loft is a cosy cedar loft house with beautiful views of the snow capped mountains of Mt Kosciusko and Thredbo.

A perfect romantic weekend away or large enough for a small family or group of friends.

35 minutes to Thredbo/Perisher, 13 minutes to Lake Jindabyne and 20 minutes to the ski train. An escape for all seasons.

Had some some peanut butter left, getting rid of some frozen bananas...actually had to bake this one but was doing some cooking anyway and threw it on the bottom shelf ☺

A Doggy Poem

Please Don't Leave

The plants are torn
The garbage strewn
The wires chewed
The couch and I had a fight
I went places I should never go
I saw a side of myself I should never see
I said things to the cat I can never take back
So please don't ever leave again
-Francesco Marcuilliano

Why a Puppy?

Don't smell crotches,
don't eat plants.

Don't steal food
or underpants.

Don't eat my socks,
don't grab my hair...

**DON'T RIP THE STUFFING
FROM THAT CHAIR!**

Don't eat those peas,
don't touch that bush,
Don't chew my shoes,
what IS this mush?!?

Eat your cookies,
drink your drink,
Outta the toilet,
outta the sink !

**AWAY FROM THE LITTER
BOX, IT'S FOR THE CAT!**

(and must you kiss
me after that ?)

Raising a puppy is not
for the lazy,

Those rugrats are funny ,
but also quite crazy.

Don't despair
through the toil and strife,
'Cause after three years
you'll get back your **life!**

So let's go for walkies,
so you can do your "thing,"
And maybe I'll get back my
new diamond **ring!**

PUDDLES

There is a puddle on the

'tis plain for all to see.
Now is that puddle
H2O or is it K9P!

Pup Treats - From 'Pet Cookbook' by Kim McCosker

- * 2 cups rolled oats
- * 2 ripe bananas, mashed
- * 1/4 cup natural peanut butter
- * 1/4 cup coconut oil

Preheat oven to 180 °C.

Line a tray with baking paper.

In a large bowl, combine oats, bananas, peanut butter and coconut oil.

Add an additional 2 tablespoons oats, or until the dough is no longer sticky.

Working on a lightly floured surface, knead the dough 3 to 4 times until it comes together.

Using a rolling pin, roll the dough 1cm thick.

Then with cookie cutters, cut the desired shapes and place onto the prepared tray. Bake until the edges are golden brown, about 12 to 15 minutes.

Cool completely.

PEANUT BUTTER: Is a favourite for many dogs. Not only is it a good source of protein but it also contains heart healthy fats and vitamins. Choose natural peanut butter for your dogs (and your children!) and preferably, one without added sugars and other additives. Similarly, bananas are a great treat and very few dogs are allergic to them. In fact, nearly all dogs can enjoy bananas especially performance or working dogs because they contain natural sugars which metabolize quickly providing instant energy.
