# Tuggeranong Dog Training Club Rules

To ensure the efficient running of training sessions the committee has drawn up the following rules:

- All dogs are to be kept on the lead at all times during training sessions, except when given permission to work off lead in class.
- Dogs that are tethered / tied up should only be approached with the owner's permission.
- Bitches in season are not to be brought on to the club grounds at any time.
- Dogs must, as a minimum, have current immunisation against distemper, canine hepatitis and parvovirus before being brought onto club grounds.
- A dog suffering from any illness or skin problems is not to be brought onto club grounds until a vet has pronounced the condition to be non-contagious.
- Handlers must remove their dog's excreta from the club grounds and environs and place it in bins. Bags are provided.
- Instructors have authority over their classes and may ask a member to take their dog out of a class if it is disruptive.
- A child must be at least 11 years of age to train a dog in a class at TDTC and should be accompanied by a parent or guardian.
- The club is a smoke-free environment. This means no smoking is permitted anywhere on the club grounds beyond the entry gate from Rowland Rees Crescent (i.e. no smoking is permitted in the clubhouse, the main training area, any of the four exercise yards or the car parks).
- Club members are responsible at all times for the behaviour of their children whilst on club grounds.
- Handlers are to use only approved club training methods when training on club grounds. Mistreatment of dogs during training sessions will not be tolerated (and may result in removal from class and withdrawal of training privileges).
- During training sessions, handlers must not run with dogs except when under instruction.
- Dogs must be supervised at all times while on club grounds.
- Training fees entitle handlers to attend only one training session per week, for each activity that they've enrolled in.
